Select the desired settings for practice. These settings are grade- and subject-specific and will vary based on the test chosen on the prior screen. After settings have been selected, click the green "**Select**" button on the screen. **TIP:** Select all available options to learn how the designated supports and accessibility features function.	**Choose Settings:** Review the following test settings. You can change the options, if necessary. **2019 STAAR Spanish Grade 3 Mathematics Released Test** **Test Attributes** TI Calculator — OFF Zoom — No default zoom applied Content and Language Supports — OFF Color Setting — Black on White (default) Presentation — Spanish Large Mouse Pointer — System Default
If audio or video supports, including text-to-speech, were selected on the "**Settings**" page, the user will see a screen to customize and confirm these settings. Click the speaker icon to confirm the settings prior to the start of each test. When the settings are confirmed by the student, click the green "**I heard the voice**" button to continue. **Note:** Students using text-to-speech will need headphones if practicing in a group setting.	**Audio/Video Checks** Your test uses multi-media features. Please perform the following checks before continuing. **Text-to-Speech Sound Check** Make sure text-to-speech is working. Press the speaker button. You should hear a voice speak the following sentence: "This text is being read aloud." **Sound Settings** Current Voice Pack: Microsoft David - English (United States) Use the sliders to adjust pitch and volume. You will not be able to changes these settings once begin your test. Volume — 10 Pitch — 10 Rate — 10 **Next Step:** If you heard the voice clearly, choose **I heard the voice**. If not, choose **I did not hear the voice**. To continue testing without checking text-to-speech, choose **Skip TTS Check**. [I heard the voice] [I did not hear the voice] [Skip TTS Check]
The user has an opportunity to review and change "**Test Settings**." A "**Help Guide**" has detailed instructions for using the embedded tools. Click the green "**Begin Test Now**" button on the screen. **Note:** Some tools are grade- or subject-specific and all tools are not available in all grade levels or subjects.	**Instructions and Help** You may select the question mark button to access this Help Guide at any time during your test. **Test Settings** Use this button to review your test settings. [View Test Settings] **Help Guide** The Help Guide and test rules can be accessed at any time by using the button on the top part of the test page. [View Help Guide]

Administrators, teachers and students should become familiar with the tools available on each item. For assistance, the user can return to the "**Help Guide**" during the test by clicking the **?** in the top menu bar.

Click the "**Next**" button at the top of each screen to move to the next question.

Student responses are automatically saved, so there is no need to click the "**Save**" button.

The use of the pause button at the upper right is explained in the "**Help Guide**."

|	
When a response is complete for each test item, the "**End Test**" button will appear at the top of the screen.	← Back → Next 💾 Save ⏹ End Test

|	
When "**End Test**" is selected, the student will have an opportunity to review any items. Items with no response will be marked with a triangle. ▲ = This symbol indicates unanswered items. In the pictured example, item #12 is marked for review. The student can click this button to return to the item or can submit the test. When the student is ready to submit, the student will click the green "**Submit Test**" button at the bottom of the page.	**Congratulations, you reached the end of the test!** If you need to review your answers, select the question number you wish to review. A flag icon appears for any questions that you marked for review. 🚩 = You have marked questions. Review these questions before submitting your test. 1 2 3 4 5 6 7 8 9 10 11 12🚩 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 31 32 33 34 35 36 37 38 39 40 41 42 **Next Step:** When you are done reviewing your answers, select **Submit Test**. You cannot change your answers after you submit the test.

For some assessment programs, including practice, the student may then see a screen that indicates correct/incorrect responses. In this example, the "1" in the "**Your Score**" column matches the "**Max Score**" column, so the student responded correctly to these test items. This format may vary slightly depending on the assessment program. This screen does not apply to all state assessment programs.	**Your Results** Your test was submitted.
