

Test Administrator,

See below to assist student's with logging in to the STAAR platform. If there are any questions or issues, contact CTC immediately.

<p>Signing into the secure browser Launch the secure browser application on the student's testing device. Be sure to launch test based on instructions for student's specific device.</p>	
<p>The Student Sign-In page appears.</p> <p>The student will log in using their first name, the TSDS ID provided on the student test ticket, and the session ID provided by the test administrator. (It is recommended to write the session ID on the board. Be sure to erase at the end of the test session).</p> <p>Students select Sign In.</p>	 <p>The screenshot shows the 'Please Sign In' form with fields for First Name (DOE, JORDAN), TSDS ID (TX 12345678), and Session ID. A 'Sign In' button is visible. To the right, there is a text box for the Session ID: 'TEST-7302-1D' and a URL: 'https://demo1.com/student/?c=Texas&session=TEST-7302-1D'.</p>
<p>Is This You? page appears.</p> <p>If all the information on the Is This You? page is correct, the student selects Yes to proceed.</p> <p>If any of the information is incorrect, the student must select No.</p> <p>***You must notify the appropriate campus personnel that the student's information is incorrect. Any student demographic information that is incorrect must be updated before the student can begin testing.</p>	 <p>The screenshot shows the 'Is This You?' page with a table of information: First Name (Doe2999), Username (DM98914581), Last Name (JORD2150), Grade (09), Date of Birth (January 1, 2002), and School (Demo School TX 1). There are 'Practice Test title', 'Yes', and 'No' buttons at the bottom.</p>
<p>The Your Tests page displays all the tests that a student is eligible to take. Students can only select tests that are included in the session and still need to be completed.</p> <p>The student selects the name of the test for the day.</p>	 <p>The screenshot shows the 'Your Tests' page with a list of tests: ELA - Reading (Start Grade 8 ELA Test), Mathematics (Start Grade 8 Mathematics Test), and End-of-Course (Start Algebra 1 EOC Test, Start Biology 1 EOC Test). There are 'Operational Test title' and 'Back to Login' buttons at the bottom.</p>

Installing Testing Apps for Windows

Below are the steps needed to install Cambium from the Software Center on **windows devices**.

<p>Step 1: Login to Windows Device</p> <p>Step 2: Click Start</p>	
<p>Step 3: Search for Software Center and double click.</p>	
<p>Software Center will open and display</p>	
<p>Step 4: Once opened, click in the search box in the top rightmost corner and type desired testing application. Currently, we are installing Cambium 14.0.0</p>	
<p>Step 5: Double click the application begin installation process.</p>	
<p>Step 6: Once installation is complete, located the requested icon on the desktop. Double click to launch the app.</p>	

Assessment Application Versions

Application	Windows	MacOS	iOS	ChromeOS
Cambium	V14.0.0	V14.0	V7.0	7.0.0.1

Installing Testing Apps for Chromebooks

All assessment applications are in kiosk mode on chrome devices.

Step 1: DO NOT Login to Device

Step 2: Look in the lower left corner of the device for the 'Apps' button.

There will be a list of preinstalled applications. Select the appropriate Test (for STAAR-Secure Test Browser) to begin.

Assessment Application Versions

Application	Windows	MacOS	iOS	ChromeOS
Cambium	V14.0.0	V14.0	V7.0	7.0.0.1

Installing Testing Apps for MacOS

All assessment applications are in Self Service. Below is a walkthrough for Cambium install and application launch.

Step 1: Login to Windows Device

Step 2: Open the Self-Service app from launchpad.

Step 3: Locate the “Cambium “Application in Self Service and Click on Install button. When the Install button turns to Reinstall, that means the installation has been completed.

Step 3: Open Launchpad and click on Cambium app.

Assessment Application Versions

Application	Windows	MacOS	iOS	ChromeOS
Cambium	V14.0.0	V14.0	V7.0	7.0.0.1
